

## Great Loop Song

By Bob DeGroot (AGLCA # 427)  
Aboard M/V Spirit Dancer

C  
Great Loop circumnavigates  
Am  
Around the eastern United States  
F  
The places we'll see as we head down stream  
G C  
The people we'll meet who share the dream

---

Take the ICW to NYC  
And anchor behind Lady Liberty  
Hudson River to the Erie Canal  
And sing the song about a mule named Sal

---

Tent-Severn cross Georgian Bay  
Go to Mackinaw Island for the day  
Great Lake Michigan can make you quiver  
Gettin' to Chicago and the Illinois River.

---

*Chorus:*

F  
Great Loop, our friends think we're crazy  
C  
Great Loop, to get a gold burgee  
F  
Great Loop, what does it take?  
G C  
All you got to do is cross your wake.

Down the Illinois River to St. Louie  
Head for the Ohio down the Mississippi  
Tennessee River to Wheeler State Park  
We'll join other boats with the same water  
mark

---

South on the Tenn-Tom waterway  
Down the rivers to Mobile Bay  
Gulf Intracoastal to Okeechobee  
Soon the East coast is what we'll see

---

Great Loop is the course we'll steer  
We hope to get 'er done about a year  
6000 miles on the blue highway  
Can't wait to get started another day

---

*Chorus:*

F  
Great Loop, our friends think we're crazy  
C  
Great Loop, to get a gold burgee  
F  
Great Loop, what does it take?  
G C  
All you got to do is cross your wake.
